February has come and almost gone...

We didn't make it to the Super Bowl.... But there's always the try for next year. Either way our team gave us yet another great year of football. Many ups and downs, and we were right there cheering our team on. Gotta love the spirit that 12's put out. So cheers to the Seattle Seahawks for showing us that you never give up. No doubt we are all looking forward to next season.

But while we await for that first kickoff, we as Sea Hawker Booster Club members continue to do great things for our community and members. It's a year around thing for those of us that are part of this wonderful club. So stay involved by volunteering, creating events that are fun for the whole family and doing for others. The ideas are endless and if you know of an activity that can bring us together or help others somehow, please bring it to your clubs attention.

This brings me to current happenings of urgency....

We have donated a pallet of water for the people of Flint Michigan. We did this through The Carolina Sea Hawkiers. They were approached by Thomas Rawls for support. Thomas is from Flint and is helping out his hometown. They are still in need of water and other supplies. If anyone wants to help let us know and we can put you in touch with the right people. Or simply go to the facebook page they put together to keep everyone informed of what is needed. Every little bit helps! You can donate directly or contact your local chapter and see about making a donation via your chapter. Be a part of making a difference.

Here's the link they created to keep everyone informed
