BUNCO

**BENEFITING SOUTH SOUND SEA HAWKERS
RELAY FOR LIFE TEAM**

Once again, we are rolling towards a cure. We plan to play BUNCO once a month during the football off season. Our hope is that you plan to join in the FUN! And fun it is... You absolutely don't need to know how to play. Men and women alike are welcome as well as teens. This is a fun fast paced game with nice cash prizes at the end of play. We give cash to the person that has the most Buncos, most Wins and ~~Boobie~~ prize and we will also have a couple of giveaways. Everyone that attends and plays will get a door prize drawing ticket. And if you bring someone and it's their first time or your first time, you will get an extra door prize drawing ticket for a GREAT prize.

What better way to spend an afternoon other than having fun and at the same time helping the American Cancer Society. We all, at some point, whether it be ourselves, family, friends or coworkers are affected by cancer. This could be your way of helping find a cure.

On February 27-28th, a member survey was mailed out to all South Sound Sea Hawk's, one mailing per family. If you did not receive your survey, please contact Brian Deren at jeepnbd@gmail.com or 253-223-9350 to confirm your mailing address and get one sent out to you. We must receive your filled out survey PRIOR to the March 21, 2017 meeting's end. You can mail it back, bring it to the March meeting or if you would prefer to fill your survey out online go to <https://goo.gl/forms/pl3XS1MnkwAdb78P2>. Brian can email you the link if you have trouble with this as well. We have found that it has to be clicked, typing it in doesn't work.

We will be drawing one winning member's name from the returned surveys, at the March 21, 2017 meeting. That winner will receive one \$50 gift card to The Fish Peddler restaurant, one \$25 gift card to Heritage Distillery and Wooden Block word spelling out Seahawks. Then at the April meeting we will reveal the results.

So get your survey turned in NOW. By you taking the time to fill out the survey...you are helping make the South Sound Sea Hawk's Booster Club better.

Please be totally and completely honest in your survey responses. This is not time to worry about someone's feelings with something you would like to say. Be honest...it's the only way we can improve things.

Hey members this is a great time to start asking businesses for gift cards, products and any other donations for our various fundraisers.

IDEAS:

If at dinner, patronizing a business or at an art festival ask to speak with manager/owner/creator and tell them about SSSH and all our charities we help. And ask if they would be willing to donate a gift card, item(s) or invite their staff to join a Relay for Life team (ours).

Places to acquire great donations from:

*Florist – Artists - Crafters (great handcrafted items) - Restaurants (gift cards) - Gift shops
Landscape services for a load of bark, etc? - Car detail places like Griots (for a car care kit or gift card)
Personal care services like nails, massages, etc - Pet services like grooming
Your dentist (can donate electric toothbrush like Oral-B, etc)
Services such as those that: transfer reel/VHS to disc - framing services - sewing machine tuning
Autograph authentication services – tickets to the zoo or other attractions - The list could go on and on....*

We need to solicit NOW because some places take time for the request process due to the corporate channels that the business might need to go through.

We need you all to be aware of the opportunities you are all in when you are out and about shopping and patronizing a business. It doesn't take much too simply ask. Heck your own place of work is often a great place to start.

Let's start acquiring a lot of great items so our drawings will really grab the attention of ticket buyers.

Working together we can make our fundraising efforts a great success.

March Guest Speaker is...

Rob Rang..... Hmm, so you say... "Who is Rob Rang?" Well he is the senior analyst for NFLDraftScout.com's NFL Draft insider. Rob also works at the same high school he attended and teaches English and World History. Rob has visited our club many times and is always an entertaining speaker. You can get the latest NFL Draft Stories from Rob when he joins us as this month's guest speaker. You DON'T want to miss this. Come early and have dinner. Then sit back and enjoy Rob and his stories. Questions are welcome. For those who want more info about Rob, click on the following link, or simply google his name.

The 2nd Annual WhiskeyRocks Northwest

Members of your SSSH team helped the USO by pouring whiskey and working the whiskey store on March 4, 2017 in the Terrace Club at Safeco Field. The event also helped out the Valley Girls & Guys club which supports cancer patients and their families. Spike and the Impalers, Rosie's Boyfriend and Aaron Crawford were the bands that played at the event...as well, **Danny Bonaduce and Sarah** from 102.5 KZOK, and 94.1 KMPS' **Seth & Kat, David Dean, and DeAnna Lee** were in attendance mingling with the crowd. What a fun event it was....not sure about everyone else, but I would volunteer for this event again in a heartbeat. A huge thank you to Elise Robinson, Sean Murray, Deanna Roe, Ron Logan, Molly Picatti-Baker, Jan Picatti-Baker, April Frederick, Leslie Cooley and myself, comes from David Moody of the Sea Hawk's NW Chapter and from several of the event organizers. And from what I could tell, which wasn't hard, all the attendees were having a great time as well. The music was awesome and they also were selling tickets to give away an Indian motorcycle worth \$32,000. Great way to spend a Saturday!
