An event calendar has been added to the members' only Facebook page. And we are working on adding one to our website and main Facebook page as well. Please check it out. We will be adding events, meeting and happenings as they come to us or are submitted. Hey members this is a great time to start asking businesses for gift cards, products and any other donations for our various fundraisers.

IDEAS:

If at dinner, patronizing a business or at an art festival ask to speak with manager/owner/creator and tell them about SSSH and all our charities we help. And ask if they would be willing to donate a gift card, item(s) or invite their staff to join a Relay for Life team (ours).

Places to acquire great donations from:

Florist

Restaurants (gift cards)

Gift shops

Landscape services for a load of bark etc?

Artist

Crafters (great handcrafted items)

Car detail places

Griots (for a car care kit or gift card)

Personal care services like nails, massages etc

Pet services like grooming

Your dentist (can donate electric toothbrush like Oral-B etc)

Services such as those that: transfer reel/VHS to disc or framing services or sewing machine tuning or Autograph authentication services or ticket entry into the zoo or other attraction etc

The list could go on and on....

We need to solicit NOW because some places take time for the request process due to the corporate channels that the business might need to go through.

We need you all to be aware of the opportunities you are all in when you are out and about shopping and patronizing a business. It doesn't take much to simply ask. Heck your own place of work is often a great place to start.

Let's start acquiring a lot of great items so our drawings will really grab the attention of ticket buyers.
