Month of May...a time to celebrate Mom's and the Draft

A Football Mother's Prayer

In the fall, it is time for the football season.
Mothers go to the game, but for one reason.
What is the reason? Let there be no denial,
It's to see if her son gets up from the pile!

Oh, she may have lots of pep, and do all the cheers,
And she hasn't missed a game in many a year.
But she doesn't do it just to keep in style.
It's to see if her son gets up from the pile.

She keeps track of the score and acts very alert.
Wondering how to get the blood stains out of his shirt.
She always sits on her seat right on the aisle.
Just in case he doesn't get up from the pile.

When the whistle blows, she strains her eyes.
For the jersey number she's memorized.
She'll sit quite still, heart stopped all the while,
Til she sees that number, come up from the pile!

She'll stand and shout, "My son stopped the play!"
"Sit down, dear, he clipped" is all Dad can say.
She may not know a punt from a telephone dial.
But she knows when her son gets up from the pile!

Go ol' Mom; she's a dear & your very best fan,
But you'll be her little boy even when you're a man,
She makes all your games, you think with a smile,
Just to see if "her baby" gets up from the pile!

Thought I would share a Mother's football prayer/poem to start the newsletter out with. It may not apply to some, but I thought it was nice. After all May is the month of the year to honor moms, near and far. And remember those that have passed on. Without mom's we surely wouldn't be here so.....

And surely we would have no need for the Draft without moms, right? So speaking of the draft....who is excited for this coming football season? Are you all liking how the draft played out for the Seahawks this year? How about coming to this month's meeting and we can all share our thoughts about how it all played out.

Attention Sea Hawkers!!!

We're going to create a new logo for our Booster Club and we want your help!

We're going to hold a contest for this and the best logo wins! Imagine your logo printed on all of our banners, clothing, media sites, etc...

HOW COOL RIGHT?! Start thinking of a design NOW! But, without using the Seahawks NFL logo (old or new) please.

Please understand that all logos submitted to this contest will become property of the Sea Hawkers Booster Club.

More details to come, we're just sharing the word now so you can start brainstorming!

GO HAWKS!!!

Start thinking about....

Have you ever wanted to take the **Party bus** to the games? Sue Farley organizes it and it leaves from 78th & Hosmer 2 hours before game time -parks next to Safeco Field Garage and the price depends on how many ride - could range from as low as \$15 to as high of \$25. So start thinking about joining all the fun you could have while traveling to the game without traffic worries. And the bus driver never tells what goes on....

MEMBER SPOTLIGHT?

Oh no where did it go? Seems I've been having a difficult time getting in touch with people. So we are going to skip it for this month and work on getting a bigger jump on talking with those we would like to spotlight. If you would like to see someone be in the Member Spotlight, please submit their name to Syl Pelesasa or one of the other SSSH officers. We look forward to any and all submissions. Thanks
