An event calendar has been added to the members' only Facebook page. And we are working on adding one to our website and main Facebook page as well. Please check it out. We will be adding events, meeting and happenings as they come to us or are submitted. We want to add Sea Hawker supported volunteer opportunities, fundraising events to support our club, other Sea Hawker chapters, the Seahawks and/or its players, fun events to gather other Sea Hawk members to go do with you as a group and more. Check it out TODAY here's the link for it.

Hey members this is a great time to start asking businesses for gift cards, products and any other donations for our various fundraisers.

IDEAS:

If at dinner, patronizing a business or at an art festival ask to speak with manager/owner/creator and tell them about SSSH and all our charities we help. And ask if they would be willing to donate a gift card, item(s) or invite their staff to join a Relay for Life team (ours).

Places to acquire great donations from:

Florist

Restaurants (gift cards)

Gift shops

Landscape services for a load of bark etc?

Artist

Crafters (great handcrafted items)

Car detail places

Griots (for a car care kit or gift card)

Personal care services like nails, massages etc

Pet services like grooming

Your dentist (can donate electric toothbrush like Oral-B etc)

Services such as those that: transfer reel/VHS to disc 📀 or framing services or sewing machine tuning or Autograph authentication services or ticket entry into the zoo or other attraction etc

The list could go on and on....

We need to solicit NOW because some places take time for the request process due to the corporate channels that the business might need to go through.

We need you all to be aware of the opportunities you are all in when you are out and about shopping and patronizing a business. It doesn't take much to simply ask. Heck your own place of work is often a great place to start.

Let's start acquiring a lot of great items so our drawings will really grab the attention of ticket buyers.

Working together we can make our fundraising efforts a great success.

The South Sound Sea hawkers are putting together a date in the near future for a chapter fun event. If you are wanting tickets for Wildwaves South Sound Sea Hawkers day to bring money to the May meeting. Only \$22.02 per ticket, that's including tax. **Great Event for the entire family!**

Join our Relay for Life Team

Hey members....it's time to get your name on the Relay for Life Team..... There are many different functions for you. You could just donate, join the team and walk, spread the word and help get others involved...the list goes on. But how about starting simply by getting your name on the team list. Here's the link. http://main.acsevents.org/site/TR/RelayForLife/RFLCY17GW?pg=entry&fr_id=80603 click on Join this Relay under Franklin Pierce High School then find South Sound Sea Hawkets and join our group.

Relay for Life Baton

Sylvie Pelesasa will be designing a baton to be passed from one walker to the other, during our Relay for Life walk. She needs names of those that are in your family that have passed on due to cancer and those that have survived and/or going through it now. Each of their names will be added to the baton design. Please send names and if passed, survived or battling to Harborsyl56@gmail.com ASAP. Thank you.

Community Action & Events Committee

This committee was a great idea. However, without the support of the members via co-chairs, Syl has decided to not try to make it alone and therefore it has been shut down. Please take note that as in the past if you have an idea for an activity or event, simply contact one of your South Sound Sea Hawker elected officers.
