SEA HAWKERS

An official Seattle Seahawks

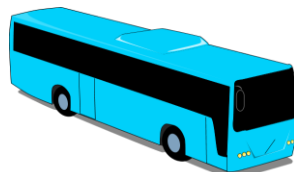

BOOSTER CLUB

Are you ready for some

The time has come, yes it is right around the corner. The Seahawks opener is this Sunday Sept 11, 2016. We start going through our clothing choices and undoubtedly have added to our Hawks wardrobe. We are like little kids waiting and preparing for the first day of school. We are anxious to get it started. We prepare to watch the game with friends/family. Where are we going? Who's going over? Who is cooking what? Or we just stay home and watch on our own. The tailgaters are checking their tailgate equipment and prepping to fry, seer and grill while drinking beer, downing Jell-O shots, passing around shots of Fireball and making sure everyone around them has something to eat and drink. We load up our bellies before getting into the stadium in order to save money...however, once in the stadium we can't help ourselves and buy more. We prep for the weather, get excited when we see our season ticket seat mates, after what seemed like too long of an off season. And so the football season begins knowing that home projects are now ALL on hold until the next off season. Sundays are definite no longer available for anyone unless football is involved. Monday nights we rush home from work and we do the same thing on Thursday nights. And I won't even talk about fantasy football! We are in football season and we might as put a sign on our door saying be back mid Feb. Because, we are no longer available for anything other than work and football. Yes, the ritual begins.....

PARTY

to the games anyone?

Sue is looking for riders for our party bus to the games.

Bus leaves 2 hours before game time on weekends and 3 hours on Mon and Thurs night games from 78th and

Hosmer - parks by Safeco Field Garage

And the best part is you DO NOT have to be a Sea Hawker member to ride the bus. So start spreading the word.

It's easy and hassle free. So leave the driving to us.

For the 1:00 games bus will leave at 11:00

For the 5:30 games bus will leave at 2:30

*Get onboard and leave the
driving to us.*

So, if interested e-mail

Sue Farley @ hawkette@comcast.net

Price will depend on how many ride. So the
more the merrier!

Don't forget to visit touchdown city prior to the game. There's a lot going on there and it's FREE. MORE info can be found at:

JBLM Air Show

As you may recall, from last month's newsletter. We were offered the opportunity to work at the JBLM Air Show selling churros, pretzels and ice cream. Well, we had 9 people step up and volunteer, so A HUGE thank you goes out to those that came out to help the South Sound Sea Hawkers raise money for our Relay for Life team. Being there for the Air Show while working was actually fun and the best part is that our efforts, with only 9 people between the two days and working only three stations, was able to raise a total of \$1025.60 Wow, to think, if we had more people volunteer for this event, we really could have raised a HUGE amount of money. So, let's hope that in 2 years when the air show comes back, we are offered the same opportunity.

**Thanks again to those that volunteered and helped raise \$1025.60
WOW! IMPRESSIVE!**

Game Day Field Passes

We have two field passes to the December 24th game against the Cardinals. You must be a SSSH member, have tickets to the game and you must attend the September, October or November meeting to sign up, no email request will be accepted.

Community Outreach & Activities Committee

Bears repeating:

Several South Sound members have signed up to be a part of Community Outreach as well as the Activities Committee. I have not had the time to really get either started and would appreciate help. I can't do everything....so please don't hesitate to step up.

So here's what I need someone to step up and handle this bit of research. I think it would be a great idea to have South Sound Sea Hawkers march in some of our local parades. We have a wonderful banner and we could march in the parade and we wear T-shirts that say "Ask me about becoming a Seattle Seahawks Sea Hawker Booster club member. (Just an idea) We could hand out flyers and educate our community about the booster club. How we can be a positive influence in our own community, while supporting our beloved Seahawks, through fun events and volunteers opportunities.

What is needed: Someone to research parades in our area and put together a list of them and get the information needed to be able to march. Then we can decide which parades we would like to march in. And get signed up.

(NOTE: I had someone send me an email stating that we are entering the fall/winter months and this isn't parade season. I am well aware of that. However, the parades next spring and summer often require that you sign up months in advance. So yes, we need this researched NOW in order to get in for the spring or summer of 2017)

Please contact Syl at 253-720-8562 or Harborsail@aol.com, if you can help in this effort.
