Save the Date!

*I am working on a version of passport and we will call it Winery Crawl. Our first one will be **Saturday November 09, 2013**. This date will be after fall crush and before the holidays. Here are the winery tasting rooms we will be visiting:*

Washington Wine and Beverage Company (Girly Girl and Silverlake) This winery has the Silverlake, Glen Fiona, and Girly Girl wines. Girly Girl has released a new Moscato. The hours are 11:00-4:00 PM. The address is **15029 NE Woodinville Redmond Road | Woodinville | WA | 98072**

Elevation Cellars This winery will release, November 8, the new Black Peak Spanish style wine and a new vintage of Imperium Riesling. Some of you have already tasted the Jammin' and Imperium. The address is: **19495 144th Ave NE, A-115. Woodinville, WA 98072**

Patterson Cellars has released a new red. This winery is a small boutique winery that has the Forbidden Rose and a very tasty Late Harvest Roussane. The address is: **19501 144th Avenue NE Suite D600 Woodinville, 98072**

Kestrel Vintners releases at least one wine every other month and for the month of October a Syrah. Here is where we have started all our parties and cooking classes. The location is in the Warehouse District. We will also have food available and will recap our wine adventure at this winery.

Please note: as these wineries release closer to our crawl date I will let you know. As always the tasting fee is waived and if you decide you would like to buy wine here you are more than welcome to use Colin's and my discount.

We will be charge \$10.00 per person to defray costs. Because our group is a bit large we will have to limit to 15 persons. If more wish to sign up, then we will happily plan another crawl. Hope you can join us. More information will be forthcoming.
