

South Sound Sea Hawks

February 17, 2026

Meeting called to order by President Colin Mitchell at 7:05 pm at the Canyon Terrace Clubhouse.

Officers Present: Colin Mitchell, Sue Farley, Cindi Lang

Speaker: Elise Robinson was the speaker. She is a member of South Sound Sea Hawks and recently was president of Central Council. She was the Seahawks 2025 Fan of the Year. As the fan of the year, her trip to the Super Bowl was paid for her. She had a media pass that a friend had gotten for her. She was able to go to the media party, Radio Row and the press conference for Bad Bunny. The NFL Honors was overwhelming. She also was on Good Morning America. Elise enjoyed the half time show as she is originally from Puerto Rico. At the Super Bowl she was able to walk onto the field in Seahawks gear. She also got some confetti.

Sue: There is \$1443.14 in the bank. Dues are due. Half of the chapter has paid their dues.

Picnic: The tentative date for the picnic has been set for July 28, 2026 at Stephanie and Mike Kuxhausen's home.

Local

Charities: The chapter is looking for more local charities for speakers and to support with bunco. They should be from Pierce, Thurston, or South King Counties. It would be nice if they are a 501C3, but do not have to be.

Bunco: Bunco is this Sunday at the Canyon Terrace Clubhouse with a potato bar as food. The club will provide water and pop. BYOB if you wish alcohol.

Ideas for

the Future: A member asked if it would be possible to have a Zoom meeting set up at our regular meeting for those who couldn't attend. It was decided that we might be able to check into it. It was suggested we have a person to follow up with new members.

Sue & Barb: Gave a report on how they were set up with a producer at Barb's home to be interviewed as Super Fans. A UPS driver knocked on the door with a package. Cooper Kupp came around the corner with another package and surprised them. They were filming a commercial for the UPS which should be out in a few weeks. Needless to say they were super excited.

Upcoming

Events: Next Meeting: March 17, 2026
Bunco - March 22, 2026 at Canyon Terrace Clubhouse

Meeting was adjourned.

Respectively Submitted
