Exhibit A

ROBERT'S RULES OF ORDER

Robert's Rules of Order shall govern the Club's meetings, including but not limited to the right to suspend rules and to control the amount of time spent on one topic as defined below when deemed beneficial by the Board, giving the Club flexibility to consider unexpected topics and/or situations.

Suspend the Rules: Allows a violation of the assembly's own rules; the object of the suspension must be specified and recorded in the meeting minutes.

Extend Debate: Applies only to the immediately pending question; extends until a certain time or for a certain period of time.

Limit Debate: Closing debate at a certain time or limiting it to a certain period of time.

Fair and Orderly Meetings and Conventions: Provides common rules and procedures for deliberation and debate in order to place the whole membership on the same footing and speaking the same language. The conduct of all business is controlled by the general will of the whole membership – the right of the deliberate majority to decide. Complementary is the right of at least a strong minority to require the majority to be deliberate - to act according to its considered judgment after a full and fair "working through" of the issues involved. Robert's Rules provide for constructive and democratic meetings, to help, not hinder, the business of the assembly. Under no circumstances should "undue strictness" be allowed to intimidate members or limit full participation.
